Burton Food Cupboard need for January:  
Cereal – hot or cold – please no corn flakes.

Note from the Missions Committee:  
A heartfelt thank you to everyone who donated to our Christmas families. We are truly grateful to have such generous, caring people in our church family.

From the confirmation class:

On December 23, the confirmation class went to serve a community meal in Cleveland with Andrea Pollock. In this year's class: Aiden Kronk, Andrew Soltis, Maddie Smetana, and Morgan Soltis. Please hold these young people in prayer as they learn about their faith.

Our church devotional:

It's hard to imagine that we have been compiling a daily devotional for two years now, in addition to our customary devotions at Advent and Lent, which we have done for many years. Thank you to all those who contributed their reflections and prayers this season on a particular scripture.

The deacons would like our church to continue having these daily devotions. If you are a person that likes to write, you are invited to let a deacon or Mary Ellen know if you would like to write on an occasional basis. The devotions are compiled in text weekly, daily on our website and Facebook, and are sent out through email. If you wish to receive a daily emailed devotion, please let Mary Ellen know, and you will be added to the list.
