This Sunday after church (October 28), all are invited to join in a service project tying blankets that will be donated to persons in need. You may help first by purchasing two yards each of two coordinating fleece fabrics, or Joann Fabrics and Michaels have kits available for tying blankets. Bring a pair of sewing scissors if you can. This is a multi-generational event; hope to see you there.

On November 4 is our Remembrance Sunday, to remember those who have passed into eternal life. If you wish the name of a loved one to be placed on the screen, please email or text Mary Ellen before that date. We will light candles at the beginning of the service, and we will also celebrate Communion together. Following the worship service all are invited to a potluck lunch.

November 4 will also be our first confirmation class. Please hold our young people in prayer as they begin this time of faith exploration.

November 11 after worship will be our kitchen shower for the Red Tulip Project. A registry has been set up through Target. If you look on their gift registry tab, click under organization and enter the Red Tulip Project; Jim Fincham's name will also come up, since he volunteered to be the address where items could be shipped if you are unable to come to the event. The Red Tulip house is progressing well - the drywall is up and we hope the home will be ready for occupants by the beginning of 2019. Thank you for your support of this worthy community project.

Each year members and friends of this church have participated in our Advent devotional, which will begin on December 1. Within the next week or so, there will be scripture passages available in church, on which you may write a paragraph or two. Thank you in advance to all who are willing to share their reflections on faith, because they are meaningful to us all.

Upcoming dates: our annual Advent workshop will be held on Sunday, December 2, beginning at 8:30 am with a potluck breakfast. Greens and some decorations will be provided or bring your own. Crafts for the young and old. Everyone is welcome. Worship will be at 10am.

Our Cookie Walk will be on Saturday, December 8, beginning at 9am. This is a successful fundraiser because of “YOU”, so bakers, start choosing your recipes, have a baking day, invite friends and family and make a party out of it! Last year we sold out of cookies, this is the first time in 18 years we had no cookies left for Coffee Hour the next day. It’s a lot of fun and people come back year after year, and that tells me we have some good bakers in this church. Questions, speak to Mary Lou Morgan.

MUSIC NOTES

Congratulations to two former participants in our music ministry. Meghan Strong received her Doctorate from The University of Cambridge in London on October 20th. She is now employed by the Cleveland Museum of Natural History where she will build an Egyptology component to the Archaeology Department after a field project to Sudan.

Ian LeRoy is now living his dream as an artist in the Big Apple NYC. He has already music directed a show at NYU.

Please keep them both in prayer for their continued success and adventurous journeys!

Meghan with her husband Andrew Bednarski and her father Richard Strong
